MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of Artis for use at the Meeting to be held at the Main Floor, 360 Main Street in Winnipeg, Manitoba on Thursday, May 19, 2011 at 4 p.m. (Winnipeg time), and any adjournment thereof.

This proxy solicitation is made by the management of Artis.

Solicitations of proxies will be primarily by mail, but may also be solicited personally or by telephone, telegraph, oral communication or in person by Trustees or officers of Artis, at a nominal cost. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Voting Units held of record by such persons and Artis may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by Artis.

Except as otherwise stated, the information contained herein is given as of the date of this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxies

The persons named in the accompanying instrument of proxy, the Management Nominees, have been selected by the Trustees and have indicated their willingness to represent Voting Unitholders who appoint them as their proxy for the Meeting.

A Voting Unitholder has the right to designate a person (who need not be a Voting Unitholder) other than the Management Nominees to represent the Voting Unitholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the enclosed instrument of proxy the name of the person to be designated and striking out the names of the Management Nominees, or by completing another proper instrument of proxy. Such Voting Unitholder should notify the designated person of the appointment, obtain the consent of such designated person to act as proxy and should provide instructions on how the Voting Units are to be voted. In any case, an instrument of proxy should be dated and executed by the Voting Unitholder or an attorney authorized in writing, with proof of such authorization attached where an attorney has executed the instrument of proxy.

Voting Unitholders of record at the close of business on the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting and any adjournment thereof.

Voting Unitholders unable to attend the Meeting in person are requested to read the accompanying Information Circular and form of proxy and to complete, sign and date the proxy together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof with Artis' transfer agent, CIBC Mellon Trust Company, by mail at Proxy Dept., Canadian Stock Transfer Company Inc., P.O. Box 721, Agincourt, Ontario M1S 0A1, or by facsimile at (416) 368-2502, by 4:00 p.m. (Winnipeg time) on Tuesday, May 17, 2011 or, if the Meeting is adjourned, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the adjourned Meeting, or any further adjournment thereof. Canadian Stock Transfer Company Inc. acts as the Administrative Agent for CIBC Mellon Trust Company. Unregistered Voting Unitholders who received the proxy through an intermediary must deliver the proxy in accordance with the instructions given by such intermediary.

Revocation of Proxies

A Voting Unitholder who has given a form of proxy may revoke it as to any matter on which a vote has not already been held pursuant to its authority by an instrument in writing executed by the Voting Unitholder or by the Voting Unitholder's attorney duly authorized in writing or, if the Voting Unitholder is a corporation, by an officer or attorney thereof duly authorized and deposited at either the above mentioned office of Canadian Stock Transfer

Company Inc. or at Artis' head office, Attention: Chairman, by no later than 4:00 p.m. (Winnipeg time) on or before the last business day preceding the day of the Meeting or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof. Canadian Stock Transfer Company Inc. acts as the Administrative Agent for CIBC Mellon Trust Company. Notwithstanding the foregoing, if a registered Voting Unitholder attends personally at the Meeting, such Voting Unitholder may revoke the proxy and vote in person. The head office of Artis is 300 - 360 Main Street, Winnipeg, Manitoba, R3C 3Z3, Attention: Chairman.

ADVICE TO BENEFICIAL UNITHOLDERS

The information set forth in this section is of significant importance to many Voting Unitholders, as a substantial number of Voting Unitholders do not hold Voting Units in their own name. Voting Unitholders who do not hold Voting Units in their names (referred to herein as “**Beneficial Unitholders**”) should note that only proxies deposited by Voting Unitholders whose name appears on the record of Artis as the registered holder of Voting Units can be recognized and acted upon at the Meeting. If Voting Units are listed in an account statement provided to a Voting Unitholder by a broker, then in almost all cases, those Voting Units will not be registered in the Voting Unitholder's name on the records of Artis. Such Voting Units will more likely be registered under the name of the Voting Unitholder's broker or the agent of that broker. Voting Units held by brokers or their agents can only be voted (for or against resolutions) upon the instructions of the Beneficial Unitholder. Without specific instructions, brokers or agents for that broker are prohibited from voting any Voting Units for their clients. **Therefore, Beneficial Unitholders should ensure that instructions respecting the voting of their Voting Units are properly communicated to the appropriate person.**

Applicable laws and policy require intermediaries and brokers to send voting instructions from Beneficial Unitholders in advance of meetings of Voting Unitholders. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Unitholders in order to ensure that their Voting Units are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Unitholder by its broker is identical to the form of proxy provided to registered Voting Unitholders; however, its purpose is limited to instructing the registered Voting Unitholders how to vote on behalf of Beneficial Unitholders. A Beneficial Unitholder receiving a proxy from an intermediary or broker cannot use that proxy to vote the Voting Units directly at the Meeting; rather, the proxy must be returned to the intermediary or broker well in advance of the Meeting in order to have the Voting Units voted.

Although a Beneficial Unitholder may not be recognized directly at the Meeting for the purposes of voting the Voting Units registered in the name of the Voting Unitholder's broker (or an agent of the broker), a Beneficial Unitholder may attend at the Meeting as proxyholder for the registered Voting Unitholder to vote Units in that capacity. Beneficial Unitholders who wish to attend the Meeting and indirectly vote their Voting Units as proxyholder for the registered Voting Unitholder should enter their own names in the blank space on the form of proxy provided to them by their broker and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or such broker's agent) well in advance of the Meeting.

All references to Voting Unitholders in this Information Circular and the accompanying proxy and Notice of Meeting are to Voting Unitholders of record unless specifically stated otherwise.

VOTING OF PROXIES

The persons named in the accompanying form of proxy will vote the Voting Units in respect of which they are appointed in accordance with the direction of the Voting Unitholder appointing them. **In the absence of such direction, those Voting Units will be voted in favour of (“For”) each of the matters identified in the Notice of Meeting.**

EXERCISE OF DISCRETION OF PROXY

The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to any amendments or variations to matters identified in the Notice of Meeting and this Information Circular and with respect to matters that may properly come before the Meeting. At the date of this Information Circular, the Trustees and officers of Artis do not know of any amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting and this Information Circular.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF SECURITIES

Artis is authorized to issue an unlimited number of Units. As of the date hereof, there are 75,724,780 Units issued and outstanding. All issued and outstanding Units carry the right to one vote.

Management understands that the Units registered in the name of CDS & Co. are beneficially owned through various dealers and other intermediaries on behalf of their clients and other parties. The names of the beneficial owners of such Units are not known to Artis.

To the knowledge of Artis, on the date hereof no person beneficially owns, directly or indirectly, or exercises control or direction over, more than 10 percent of the issued and outstanding Voting Units.

To be effective, the resolution electing the Trustees must be passed by an ordinary resolution.

It is intended on any vote or ballot that may be called relating to the election of the persons named above as Trustees, that the Voting Units represented by proxies in favour of Management Nominees will be voted for such resolution, unless a Voting Unitholder has specified in the proxy that the Voting Units are to be withheld from voting on such resolution.

APPOINTMENT OF AUDITORS AND AUTHORIZING TRUSTEES TO FIX REMUNERATION

At the Meeting, Voting Unitholders will be asked to vote on the following resolution, with or without variation:

BE IT RESOLVED THAT Deloitte & Touche LLP be and is hereby appointed as the auditors of Artis for the ensuing year and that the Trustees be and are hereby authorized to fix the remuneration of the auditors.

It is intended on any vote or ballot that may be called relating to the appointment of auditors of Artis and the authorization of the Trustees to fix the remuneration of the auditors, that the Voting Units represented by proxies in favour of Management Nominees will be voted for such resolution, unless a Voting Unitholder has specified in the proxy that the Voting Units are to be withheld from voting on such resolution.

APPROVAL OF AMENDED AND RESTATED UNITHOLDER RIGHTS PLAN

At the Meeting, Voting Unitholders will be asked to vote on the following resolution, with or without variation:

BE IT RESOLVED THAT:

- (a) the Unitholder Rights Plan of Artis dated May 16, 2008 be and is hereby renewed for a period commencing on May 19, 2011 and ending on the date of Artis' annual meeting of Unitholders to be held in 2014, with such amendments set forth in the management information circular of Artis dated March 23, 2011; and
- (b) any one Trustee or officer of Artis be and is hereby authorized and directed to execute and deliver, on behalf of Artis, all such agreements and documents, and to do all such acts and things, as in the opinion of such Trustee or officer may be necessary or desirable to give effect to the foregoing.

The resolution approving the adoption of the Rights Plan must be approved by an ordinary resolution and by a majority of votes cast by Independent Unitholders (as defined below) at the Meeting. To the knowledge of Artis, all of the Voting Unitholders are Independent Unitholders (as defined below) and, accordingly, Artis expects that no Voting Units will be excluded from voting on the resolution approving the adoption of the Rights Plan.

It is intended on any vote or ballot that may be called relating to the approval of the renewal of the Rights Plan, that the Voting Units represented by proxies in favour of Management Nominees will be voted for such resolution, unless a Voting Unitholder has specified in the proxy that the Voting Units are to be voted against such resolution.

Proposed Amendments to the Unitholder Rights Plan

It is proposed that the Unitholder Rights Plan agreement dated May 16, 2008 be amended and restated to amend the definition of “Exercise Price” from \$100 to (i) until the Separation Time (as defined in the Unitholder Rights Plan), an amount equal to three times the market price per Unit, and (ii) after the Separation Time, an amount equal to three times the market price (determined in accordance with the Unitholder Rights Plan) as at the Separation Time, per Unit. Artis has reviewed the Rights Plan for conformity with current practices of Canadian reporting issuers. Artis believes that the Rights Plan, as amended by the proposed amendments, will preserve the fair treatment of Unitholders, be consistent with current best Canadian practices and address institutional investor guidelines.

Background

On May 16, 2008, Voting Unitholders approved the adoption of the Unitholder Rights Plan dated May 16, 2008 (the “Original Rights Plan”) for a three year period commencing on the date thereof. The adoption of the Original Rights Plan by Artis was not undertaken in response to or in anticipation of any pending or threatened take-over bid for the Units.

The Trustees have concluded that the adoption of the Rights Plan is in the best interests of Artis and its Unitholders and unanimously recommend that Voting Unitholders vote FOR this resolution. Artis is not currently aware of any pending or threatened take-over bid for the Units.

Description of Unitholder Rights Plan

The Rights Plan reflects the “current generation” of rights plans designed to meet the proxy voting guidelines of institutional investors. The Unitholder Rights Plan utilizes the mechanism of a Permitted Bid (as described below) to ensure that a person seeking control of Artis provides Unitholders and the Trustees with sufficient time to evaluate the bid, negotiate with the initial bidder and encourage competing bids to emerge. The purpose of the Unitholder Rights Plan is to protect Unitholders by requiring all potential bidders to comply with the conditions specified in the Permitted Bid provisions or risk being subject to the dilutive features of the Unitholder Rights Plan. Generally, to qualify as a Permitted Bid, a bid must be made to all Unitholders and must be open for 60 days after the bid is made. If more than 50% of the Units held by Independent Unitholders (as defined below) are deposited or tendered to the bid and not withdrawn, the take-over bid must then be extended for a further period of ten days on the same terms to allow those Unitholders who did not initially tender their Units to tender to the take-over bid if they so choose. Units may be taken up and paid for after this additional ten day period. Thus, there is no coercion to tender during the initial 60 day period because the bid must be open for acceptance for at least ten days after the expiry of the initial tender period. The Unitholder Rights Plan is designed to make it impractical for any person to acquire more than 20% of the outstanding Units without the approval of the Trustees except pursuant to the Permitted Bid procedures or pursuant to certain other limited exemptions outlined below. The Trustees believe that the Unitholder Rights Plan taken as a whole should not be an unreasonable obstacle to a serious bidder willing to make a *bona fide* and financially fair offer to all Unitholders.

If approved at the Meeting, the Rights Plan is subject to re-confirmation every three years.

The following is a summary of the principal terms of the Unitholder Rights Plan, and is qualified in its entirety by reference to the text of the Unitholder Rights Plan which has been filed with the applicable securities regulatory authorities and is available at www.sedar.com and is also available on Artis’ website at www.artisreit.com.

Issuance of Rights

On the Effective Date, one right (a “**Right**”) will be issued and attached to each outstanding Unit. One Right will also be issued and attach to each Unit (and certain other securities entitling the holder thereof to vote for the election of Trustees) (for the purposes of this Unitholder Rights Plan summary, “**Voting Units**”) issued thereafter, subject to the limitations set forth in the Rights Plan. The Original Rights Plan provided that the exercise price of each Right is \$100, subject to appropriate anti-dilution adjustments. The Rights Plan will amend the definition of “Exercise Price” to be (i) until the Separation Time (as defined in the Rights Plan), an amount equal to three times the market price per Unit, and (ii) after the Separation Time, an amount equal to three times the market price (determined in accordance with Rights Plan) as at the Separation Time, per Unit (the “**Exercise Price**”).

Until a Right is exercised, the holder thereof, as such, will have no rights as a Unitholder.

Rights Exercise Privilege

The Rights will separate from the Voting Units to which they are attached and will become exercisable at (the “**Separation Time**”) the close of business on the tenth trading day after the earlier of: (i) the first date of public announcement by Artis or an Acquiring Person (as hereinafter defined) of facts indicating that a person has become an Acquiring Person, and (ii) the date of the commencement of, or first public announcement of, the intent of any person (other than Artis or any subsidiary of Artis) to commence, a take-over bid (other than a Permitted Bid or Competing Permitted Bid (as described below)), or two days following the date on which a Permitted Bid ceases to qualify as such, or, in either case, such later date as may be determined by the Trustees.

The acquisition by a person (an “**Acquiring Person**”), including persons acting jointly or in concert, of 20% or more of the Voting Units, other than by way of a Permitted Bid in certain circumstances, is referred to as a “**Flip-in Event**”. Any Rights held by an Acquiring Person on or after the earlier of the Separation Time or the first date of public announcement by Artis or by an Acquiring Person that an Acquiring Person has become such, will become void upon the occurrence of a Flip-in Event. Ten trading days after the occurrence of the Flip-in Event, the Rights (other than those held by the Acquiring Person) will permit the holder to purchase, for example, Units equal to two times the Exercise Price upon payment of the Exercise Price (i.e., at a 50% discount).

The issue of the Rights is not initially dilutive. Upon a Flip-in Event occurring and the Rights separating from the attached Voting Units, reported earnings per Unit on a fully diluted or non-diluted basis may be affected. Holders of Rights who do not exercise their Rights upon the occurrence of a Flip-in Event may suffer substantial dilution.

Certificates and Transferability

Prior to the Separation Time, the Rights will be evidenced by a legend imprinted on certificates for Voting Units and will not be transferable separately from the attached Voting Units. From and after the Separation Time, the Rights will be evidenced by Rights certificates, which will be transferable and traded separately from the Voting Units.

Permitted Bid Requirements

The requirements of a Permitted Bid include the following:

- (a) the take-over bid must be made by way of a take-over bid circular;
- (b) the take-over bid must be made to all holders of Voting Units, other than the bidder;
- (c) the take-over bid must not permit Voting Units tendered pursuant to the take-over bid to be taken up prior to the expiry of a period of not less than 60 days from the date of the bid and then only if at such time more than 50% of the Voting Units held by Unitholders other than the bidder, its affiliates and persons acting jointly or in concert with the bidder (the “**Independent Unitholders**”) have been tendered pursuant to the take-over bid and not withdrawn; and
- (d) if more than 50% of the Voting Units held by Independent Unitholders are tendered to the take-over bid within the 60 day period, the bidder must make a public announcement of that fact and the take-over bid must remain open for deposits of Voting Units for an additional ten business days from the date of such public announcement.

The Unitholder Rights Plan allows a competing Permitted Bid (a “**Competing Permitted Bid**”) to be made while a Permitted Bid is in existence. A Competing Permitted Bid must satisfy all the requirements of a Permitted Bid except that, provided it is outstanding for a minimum period of 35 days, it may expire on the same date as the Permitted Bid.

Waiver and Redemption

The Trustees may, prior to a Flip-in Event, with the approval of holders of Voting Units, waive the dilutive effects of the Unitholder Rights Plan in respect of a particular Flip-in Event. At any time prior to the occurrence of a Flip-in Event, with the approval of Rights holders, the Trustees may redeem all, but not less than all, of the outstanding Rights at a price of \$0.00001 each.

Waiver of Inadvertent Flip-in Event

The Trustees may, prior to the close of business on the tenth day after a person has become an Acquiring Person, waive the application of the Rights Plan to an inadvertent Flip-in Event, on the condition that such person reduces its beneficial ownership of Voting Units such that it is not an Acquiring Person within 14 days of the determination of the Trustees.

Portfolio Managers and Trust Companies

The provisions of the Rights Plan relating to portfolio managers are designed to prevent the occurrence of a Flip-in Event solely by virtue of the customary activities of such portfolio managers, including trust companies and other persons, where a portion of the ordinary business of such person is the management of funds for unaffiliated investors, so long as any such person does not propose to make a take-over bid either alone or jointly with others.

Supplement and Amendments

Following Unitholder approval of the Rights Plan, Artis may, without the approval of the holders of Voting Units or Rights, make amendments (i) to correct clerical or typographical errors, (ii) to maintain the validity and effectiveness of the Rights Plan as a result of any change in applicable law, rule or regulatory requirement, and (iii) as otherwise specifically contemplated therein. Any amendment referred to in (iii) must, if made before the Separation Time, be submitted for approval to the holders of Voting Units and, if made after the Separation Time, must be submitted to the holders of Rights for approval.

At any time before the Separation Date, Artis may with prior approval of a majority of the Independent Unitholders received at the special meeting called and held for such purpose, amend, vary or rescind any of the provisions of the Rights Plan or the Rights, whether or not such action would materially adversely affect the interests of the holders of Rights generally.

Income Tax Consequences

The following summary presents the principal Canadian federal income tax considerations generally applicable to Unitholders who, for the purposes of the *Income Tax Act* (Canada), are resident in Canada, deal at arm's length with Artis and who hold their Units as capital property.

Provided that the Rights have no value at the time of their acquisition, Unitholders should not be considered to have received the Rights from Artis as a benefit and should not be required to include any amount in income. Artis is of the view that, having regard to the remoteness of the possibility that a Flip-in Event under the Rights Plan will occur such that the Rights will become exercisable, the Rights will have no value at the time of their acquisition by any Unitholder. If the Rights have value at the time of their acquisition, the holder will be required to include in computing its income for the year of acquisition the value of the benefit received from Artis in the year.

Although a holder of Rights will be required to recognize income if the Rights were to become exercisable or be exercised, the occurrence of such an event is considered by Artis to be a remote possibility. In the unlikely event that Rights are disposed of separately for proceeds of disposition greater than zero, a holder thereof will realize a capital gain.

APPROVAL OF AMENDMENTS TO DECLARATION OF TRUST

At the Meeting, Voting Unitholders will be asked to vote on the following resolution, with or without variation:

BE IT RESOLVED THAT:

The Trustees be and are hereby authorized to further amend the second amended and restated declaration of trust of Artis dated May 14, 2010 as follows:

- (a) to delete the definition of “Distributable Income”;
- (b) to delete Section 9.1 which requires that Artis calculate Distributable Income; and
- (c) to make such other consequential or ancillary amendments to Article IX – Distributions of Income and Capital Gains as the Trustees consider necessary or advisable in connection with the changes referred to in paragraph (a) and (b) above.

Artis no longer considers Distributable Income (as defined in the Declaration of Trust) as a key financial metric and is of the view that the requirement to calculate “Distributable Income” should be deleted from the Declaration of Trust.

To be effective, the special resolution must be passed by two-thirds of the votes cast by Voting Unitholders present in person or represented by proxy at the Meeting. It is intended on any vote or ballot that may be called relating to the approval of the amendments to the Declaration of Trust, that the Voting Units represented by proxies in favour of Management Nominees will be voted for such resolution, unless a Voting Unitholder has specified in the proxy that the Voting Units are to be withheld from voting on such resolution.

APPROVAL OF EQUITY INCENTIVE PLAN

At the Meeting, Voting Unitholders will be asked to vote on the following resolution, with or without variation:

BE IT RESOLVED THAT:

- (a) the equity incentive plan (the “**Incentive Plan**”), in the form attached as Appendix “C” to Artis’ management information circular dated March 23, 2011, be and is hereby approved for adoption by Artis effective on the date hereof;
- (b) Units equal to 7% of the issued and outstanding Units from time to time shall be reserved for issuance pursuant to the Incentive Plan, provided that the 1,070,250 Units underlying outstanding Unit options granted under the amended unit option plan of Artis dated June 9, 2006 shall be included in the number of Units underlying the Incentive Plan;
- (c) the Trustees of Artis be and are hereby authorized and approved to grant or issue awards of unit options, restricted units, deferred units and/or installment units in accordance with the terms of, and subject to the restrictions set forth in, the Incentive Plan; and
- (d) any one Trustee or officer of Artis be and is hereby authorized and directed to do all such acts and things and to execute and deliver on behalf of Artis or otherwise all such deeds, documents, instruments and assurances as in the opinion of such Trustee or officer may be necessary or desirable to give effect to the foregoing resolutions and to complete all transactions in connection with the implementation of the Incentive Plan.

The resolution approving the adoption of the Equity Incentive Plan (the “**Incentive Plan**”) must be approved by a majority of votes cast by Voting Unitholders at the Meeting.

Background

Voting Unitholders are being asked to consider the approval of the adoption of the proposed Incentive Plan which will enable Artis to grant awards of unit option, restricted units, deferred units and installment units. It is proposed that, if approved, the Incentive Plan will become effective immediately and the 2006 Unit Option Plan will be terminated. Artis believes that the Incentive Plan will better equip Artis to attract, retain and motivate prospective employees and other personnel over the long term.

The Incentive Plan would be made available to (i) the officers and employees of Artis or any of its affiliates or of designated service providers, (ii) the Trustees, and (iii) designated service providers who spend a significant amount of time and attention on the affairs and business of Artis, all as selected by the Board of Trustees or a committee appointed by the Board of Trustees (the “**Participants**”).

The objective of creating the Incentive Plan is to encourage increased long-term equity participation in Artis by Participants. The Incentive Plan is intended to facilitate long term ownership of Units by Participants and to provide Participants with additional incentives by increasing their interest, as owners, in Artis. As well, the Trustees believe that the Incentive Plan will encourage Participants to remain with Artis, and will also attract new employees to Artis.

Summary of the Incentive Plan

The following is a summary of the Incentive Plan and is qualified in its entirety by the text of the Incentive Plan which is attached hereto as Appendix “C”.

Awards

Awards granted under the Incentive Plan may consist of unit options (“**Options**”), restricted units (“**Restricted Units**”), deferred units (“**Deferred Units**”) and installment units (“**Installment Units**” and together with the Options, Restricted Units and Deferred Units, the “**Awards**”). Each Award is subject to the terms and conditions set forth in the Incentive Plan and to those other terms and conditions specified by the Board of Trustees and memorialized in a written award agreement.

Units Subject to the Incentive Plan

Subject to adjustment in certain circumstances as discussed below, the Incentive Plan authorizes the issuance of up to 7% of Artis’ issued and outstanding Units from time to time pursuant to the terms of such Incentive Plan. The Trustees will from time to time reserve for the purposes of the Plan, out of its authorized and unissued Units, such number of Units. The expiry, exercise, redemption or other issuance of Units underlying an Award will result in further Units being available for issuance under the Plan. The Units underlying options granted under Artis’ amended unit option plan dated June 9, 2006 (which plan will terminate upon the adoption of the Incentive Plan) shall remain outstanding following the adoption of the Incentive Plan and shall be exercisable in accordance with their terms. The Units underlying such options shall be included in the calculation of the number of Units that are issuable to Participants under the Plan. The exercise or expiry of the 2006 Option Plan Option will result in further Units being available for issuance under the Plan.

No Participant will be granted Awards with respect to more than 5% of Artis’ issued and outstanding Units. In accordance with the rules of the TSX, the Incentive Plan further provides that (i) the number of Units issuable to insiders of Artis, at any time, pursuant to the Incentive Plan and any other security-based compensation arrangement adopted by Artis, cannot exceed 10% of the issued and outstanding Units; and (ii) the number of Units issued to insiders of Artis, within any one year period, under the Incentive Plan and any other security-based compensation arrangement adopted by Artis cannot exceed 10% of the issued and outstanding Units. If, and to the extent, Awards granted under the Incentive Plan expire, terminate, are cancelled, or are forfeited for any reason without having been exercised in full, the Units associated with those Awards will again become available for grant under the Incentive Plan. Additionally, if and to the extent an Award is settled for cash, the Units subject thereto will again become available for grant under the Incentive Plan.

In the event of any recapitalization, reorganization, arrangement, amalgamation, split or combination, distribution or other similar event or transaction, substitutions or adjustments will be made by the Board of Trustees in its

discretion to: (i) the aggregate number, class and/or issuer of the securities reserved for issuance under the Incentive Plan; (ii) the number, class and/or issuer of securities subject to outstanding Awards; and (iii) the exercise price of outstanding Options, in each case in a manner that reflects equitably the effects of such event or transaction. In addition, the appropriate adjustments in the number of Units under an Award and the other terms and conditions thereunder, may be made by the Board of Trustees in its discretion to give effect to the adjustments in the number of Units of Artis resulting from the implementation and operation of Artis' Unitholder Rights Plan.

The maximum number of Units issuable under the Incentive Plan is 7% of the issued and outstanding Units from time to time. Accordingly, as of March 23, 2011, there are an aggregate of 75,724,780 Units issued and outstanding, of which 7% is 5,300,734 Units. As of March 23, 2011, there are 1,070,250 Units underlying the options outstanding under the Unit Option Plan, representing approximately 1.4% of the issued and outstanding Units as at March 23, 2011. Accordingly, based on the foregoing, if the Incentive Plan were adopted as of the date hereof, then an additional 4,230,484 Units (representing approximately 5.6% of the issued and outstanding Units) would be reserved for issuance under the Incentive Plan. Changes in the number of outstanding Units of Artis from time to time will result in a corresponding change in the maximum number of Units issuable under the Incentive Plan. In the event of the expiry, exercise, redemption or issuance of Units underlying Awards or the options outstanding under the Unit Option Plan, additional Units will be available for issuance under the Incentive Plan.

Administration

The Incentive Plan will be administered and interpreted by the Board of Trustees or a committee designated by the Board of Trustees, which initially shall be the Compensation and Governance Committee. The Board of Trustees or appointed committee, if applicable, will have full authority to grant Awards under the Incentive Plan and determine the terms of such Awards, including the persons to whom Awards are to be granted, the type and number of Awards to be granted and the number of Units to be covered by each Award. The Board of Trustees will also have full authority to specify the time(s) at which Awards will be exercisable or settled.

Eligibility

Trustees, officers or employees of Artis or any of its affiliates, Trustees, and designated employees of certain service providers who provide management services to Artis or any of its affiliates and who spend a significant amount of time and attention on the affairs and business of Artis are eligible to participate in the Incentive Plan.

Unit Options

The Incentive Plan provides that the Board of Trustees may grant Options. Any Options granted under the Incentive Plan will have a maximum term of ten years, and will be exercisable at a price not less than the volume weighted-average trading price of the Units for the five trading days immediately preceding such date on the TSX. Initially, Options will be time-vested 25% annually over four years, subject to the right of the Board of Trustees to determine at the time of grant that a particular Option will be exercisable in whole or in part on a different date and to determine at any time after the time of grant that a particular Option will be exercisable in whole or in part on an earlier date for any reason. In addition, vesting of Options may be subject to performance tests at the discretion of the Board of Trustees.

Notwithstanding the foregoing, the Incentive Plan provides that in the event that the term of an Option expires during or within ten days after the last day of a "blackout period" imposed by Artis, the Option shall expire on the date (the "**Blackout Expiration Date**") that is ten business days following the end of the blackout period. The Blackout Expiration Date will not be subject to the discretion of the Board of Trustees.

Restricted Units

The Incentive Plan provides that the Board of Trustees may grant Awards of Restricted Units. A Restricted Unit is a contractual promise to issue Units and/or cash in an amount equal to the "fair market value" (as defined in the Incentive Plan and as determined at the time of distribution) of the Units subject to the Award, at a specified future date. Restricted Units will vest on and after the third anniversary of the date of grant, subject to the right of the Board of Trustees to determine at the time of grant that a particular Restricted Unit will vest on different dates and to determine at any time after the time of grant that a particular Restricted Unit will vest at an earlier or later time. In

addition, vesting of Restricted Units may be subject to performance criteria at the discretion of the Board of Trustees.

An Award of Restricted Units may be settled in Units, cash, or in any combination of Units and/or cash, at the election of the recipient.

Deferred Units

The Incentive Plan provides that the Board of Trustees may grant Awards of Deferred Units. A Deferred Unit is a contractual promise to issue Units and/or cash in an amount equal to the “fair market value” (as defined in the Incentive Plan and as determined at the time of distribution) of the Units subject to the Award, at a specified future date.

Deferred Units granted on a particular date will vest in accordance with the following schedule:

- (i) one-third of the Deferred Units will vest on the first anniversary of the date of grant;
- (ii) one-third of the Deferred Units will vest on the second anniversary of the date of grant; and
- (iii) one-third of the Deferred Units will vest on the third anniversary of the date of grant,

subject to the right of the Board of Trustees to determine at the time of grant that a particular Deferred Unit will vest in whole or in part on different dates (including an earlier or later date) and to determine at any time after the time of grant that a particular Deferred Unit will vest in whole or in part on earlier or later dates for any reason.

Installment Units

The Incentive Plan provides that the Board of Trustees may grant Awards of Installment Units. Eligible Participants may subscribe for Installment Units pursuant to a subscription agreement, for a purchase price equal to not less than the “fair market value” of the Units (the “**Subscription Price**”), which Subscription Price will be payable in cash Installments. The terms of the Award may include the requirement for payment of not less than 5% of the Subscription Price for such Installment Units. The “fair market value” of the Units will be the volume weighted-average trading price on the TSX of the Units for the five trading days immediately preceding the grant of any such Installment Units. All Installment payments must be made over a period of not more than ten years. Installment payments in respect of Installment Receipts may be accelerated in certain circumstances. See “Effects of Termination of Service” below.

Prior to payment in full of all Installments (including interest thereon, as described below) relating to Installment Units, beneficial ownership of Installment Units will be represented by Installment receipts issued by Artis (the “**Installment Receipts**”) to Participants. Participants will be required to pay interest to Artis on the outstanding balance of the remaining Installments at a ten-year fixed rate, which interest rate shall not be less than the rate prescribed under the Tax Act at the time such Installment Units are granted or at such other rate determined by the Board of Trustees at that time. Pursuant to an Installment receipt and pledge agreement to be entered into between Artis and each applicable Participant upon acceptance by Artis of the Participant’s subscription agreement for Installment Units (the “**Installment Receipt and Pledge Agreement**”), the subject Participant will be required to apply all distributions paid on Installment Units to pay such interest and to pay the remaining Installments, such that, following all such payments, the Participant will have paid the full fair market value of the Installment Units.

Installment Units will be registered in the name of a custodian and pledged to Artis as security for payment by the subject Participant of the remaining Installments. Under the Installment Receipt and Pledge Agreement, legal title to the Installment Units will be registered in the name of the custodian and held as security for the payment of obligations of the subject Participant until all Installments have been fully paid. If payment of any Installments from a subject Participant is not received by the custodian when due, any Installment Units then remaining held as security may, unless otherwise provided for by Artis and subject to applicable law, be sold by the custodian in the market and that portion of the proceeds equal to the remaining Installments owing delivered to Artis.

Under the Incentive Plan, holders of Installment Receipts will be the beneficial owners of the Installment Units from the date of issue, subject to their obligation to make the remaining installment payments. Holders of Installment Receipts will have the same rights and privileges, and will be subject to the same limitations, as registered holders of Units, except for certain rights and privileges that are limited under the Installment Receipt and Pledge Agreement to protect the value of Artis' security interest in the Installment Units. In particular, Participants holding Installment Receipts will be entitled to receive any distributions paid on such Installment Units. Such Participants will be required to apply any distributions received by them in respect of the Installment Units to make payments of interest and the remaining Installments. A Participant will not be entitled to vote the Installment Units, unless there is no outstanding amount owed to the Trust by such Participant.

Upon due payment of all Installments, the Installment Units will be released to the subject Participant and such Participant will become the registered holders of the Installment Units. Until all Installment payments have been made, such Participant will not be allowed to transfer or dispose of his or her Installment Units or the associated Installment Receipts, other than to a "permitted assign" as defined below under "Assignability".

Effects of Termination of Service

Generally, unless provided otherwise in the applicable award agreement or individual employment agreement, Options, Restricted Units or Deferred Units granted under the Incentive Plan will expire at the earlier of the expiration date and the following: (i) within 12 months following death of a Participant (with full vesting occurring on death); (ii) three years after the date of the Participant's retirement as an employee or a service provider (or 30 days after the date such Participant ceases to be retired and is employed by a competitor of Artis)(and with such Awards continuing to vest during such period); (iii) 30 days after the Participant's resignation as an officer or employee of Artis or natural termination of a service provider contract, as applicable (with all unvested Awards terminating on the date of resignation or termination); (iv) 12 months after the date of a disability, as defined in the Incentive Plan (with respect to Awards which has vested on the date of disability); (v) 30 days after the termination of the Participant's employment or service without cause or a Participant's contract as a service provider is terminated by Artis before its normal termination date without cause, provided that any unvested Options, Restricted Units or Deferred Units will vest immediately and be exercisable (or otherwise entitle the Participant to receive the underlying cash and/or Units in accordance with its terms); (vi) immediately upon the termination of the Participant's employment or service with cause (as defined in the Incentive Plan); and (vii) notwithstanding paragraphs (i) through (vi), 90 days after the date that a Participant who is a Trustee (and who is not also an employee or designated service provider who has been terminated for cause or without constructive dismissal) ceases to hold office as a trustee of Artis, other than in respect of a voluntary resignation and provided that any such Options, Restricted Units or Deferred Units will immediately vest and be exercisable (or otherwise entitled the Participant to receive the underlying cash and/or Units in accordance with its terms), within such 90 day period. The Incentive Plan also calls for accelerated vesting in certain circumstances, as more particularly set forth in Section 8 of the Incentive Plan.

With respect to Installment Units, unless provided otherwise in the applicable Installment Receipt and Award Agreement, in the event of the death or disability of a Participant or on termination of their employment or service with Artis, the Participant shall be required to pay all outstanding Installments within six months of the event giving rise to the loss of eligible status, failing which, the Installment Units may, at the option of Artis and subject to applicable law: (i) be acquired by Artis for cancellation; or (ii) be sold by the custodian in the market in accordance with the Incentive Plan and the applicable Installment Receipt and Award Agreement. In the event that any non-executive Trustee who is a Participant should retire, resign or otherwise cease to be a Trustee prior to payment in full of the Installments, then: (i) at the election of the Trustee, the Trustee may pay all outstanding Installments in full and thereupon receive the Installment Units in accordance with the Incentive Plan and the applicable Installment Receipt and Award Agreement; or (ii) at the election of Artis, either: (a) the Trustee may pay the Installments in the ordinary course in accordance with the terms of the grant of such Installment Units; or (b) Artis may direct the custodian to sell the Installment Units in the market in accordance with the Incentive Plan and the applicable Installment Receipt and Award Agreement.

Assignability

Awards may not be assigned or transferred by a Participant, other than to a permitted assign or, in the case of a deceased Participant, by will or by the laws of descent or distribution. A "permitted assign" is an assign as

determined by the Trustees. Notwithstanding the foregoing, the Incentive Plan Permits a Participant to assign or transfer any Options, Restricted Units or Deferred Units to which such Participant is entitled to a personal holding company wholly-owned by such Participant.

Amendment and Termination of the Incentive Plan

The Board of Trustees may, in its sole discretion, amend, suspend or terminate the Incentive Plan at any time without the approval of Unitholders, provided that no such amendment, suspension, or termination may be made without obtaining any required approval of any regulatory authority or stock exchange or materially prejudice the rights of any holder under any Award.

The Board of Trustees may not, without approval of the Unitholders, make amendments to the Incentive Plan for any of the following purposes:

- to increase the maximum number of Units that may be issued;
- to reduce the exercise price of Options (other than a reduction resulting from a change made at the discretion of the Trustees in the event of a recapitalization, reorganization, arrangement, split or combination, distribution or other similar event or transaction);
- to extend the expiry date of Awards for the benefit of any Participant (including an insider of Artis);
- to increase the maximum number of Units issuable to insiders of Artis; and
- to amend the amending provisions of the Incentive Plan.

The Board of Trustees may, in accordance with the Incentive Plan and subject to the receipt of the required regulatory approval, where required, in its sole discretion, make amendments to the Incentive Plan including, but not limited to:

- amendments of a technical, clerical, or “housekeeping” nature, or to clarify any provision of the Incentive Plan;
- termination of the Incentive Plan;
- amendments to respond to changes in legislation, regulations, stock exchange rules or accounting or auditing requirements;
- amendments in respect of the vesting provisions of any Awards; and
- amendments to the termination provisions of Awards granted under the Incentive Plan that do not entail an extension beyond the original expiry date,

and provided that: (i) if the amendments would reduce the exercise price of Options or extend the expiry date of Awards granted to Insiders, other than as authorized under the Incentive Plan, approval of Unitholders must be obtained; (ii) the Board of Trustees would have had the authority to initially grant the Award under the terms as so amended; and (iii) the consent or deemed consent of the holder of the Award is obtained if the amendment would materially prejudice the rights of such holder.

Change in Control

Upon or in anticipation of any change in control of Artis, the Board of Trustees may, in its sole and absolute discretion and without the need for the consent of any Participant, cancel any Award in exchange for a substitute award of a successor entity. Substitute awards shall have no less economic value, no more stringent performance conditions, and similar vesting schedules as existing Awards. If such exchange for substitute awards is not effected by the Board of Trustees, the Board of Trustees has the discretion to accelerate the vesting of Options, Restricted Units and Deferred Units, provided that the Participant’s employment, service or term of office with Artis, is terminated without cause (as defined in the Incentive Plan). The treatment of Installment Units shall be determined by the Board of Trustees at its discretion at that time.

A change in control means, for the purposes of the Incentive Plan the occurrence of any of the following, in one transaction or a series of related transactions:

- any person acquires beneficial ownership within the meaning of applicable securities law, directly or indirectly, of securities of Artis representing more than 50% of the voting power of Artis’ then outstanding

Units for the election of Trustees;

- a consolidation, securities exchange, reorganization, arrangement or amalgamation of Artis resulting in the Unitholders immediately prior to such event not owning at least a majority of the voting power of the resulting entity's securities outstanding immediately following such event;
- the sale or other disposition of all or substantially all the assets of Artis;
- a liquidation or dissolution of Artis; or
- any similar event deemed by the Board of Trustees to constitute a change in control for the purposes of the Incentive Plan.

It is intended on any vote or ballot that may be called relating to the adoption of the Incentive Plan that the Voting Units represented by proxies in favour of Management Nominees will be voted for such resolution, unless a Voting Unitholder has specified in the proxy that the Voting Units are to be voted against such resolution.

GENERAL MATTERS

The Trustees are not aware of any other matters which may come before the Meeting.

BOARD APPROVAL

The Trustees have approved the contents of this Information Circular and its delivery to Voting Unitholders and the auditors of the Artis and to its filing with applicable securities regulatory authorities.

ADDITIONAL INFORMATION

Financial information regarding Artis is provided in the audited annual financial statements and management discussion and analysis for its financial year ended December 31, 2010. Copies of the foregoing, and of the Annual Information Form, are available on the SEDAR website at www.sedar.com and may also be obtained on written request addressed to Artis Real Estate Investment Trust, 300 – 360 Main Street, Winnipeg, MB R3C 3Z3, Attention: Investor Relations.

EXECUTIVE COMPENSATION

For purposes of the Compensation Discussion and Analysis, a “**Named Executive Officer**” means the following individuals: (a) the Chief Executive Officer of Artis; (b) the Chief Financial Officer of Artis; (c) the Executive Vice-President of Artis; (d) each of Artis’ three most highly compensated executive officers (or persons acting in a similar capacity), other than the Chief Executive Officer, Chief Financial Officer and the Executive Vice-President, at the end of the most recently completed financial year of Artis whose total compensation was, individually, more than \$150,000; and (e) any additional individual who would be a Named Executive Officer under (d) but for the fact that the individual was neither an executive officer of Artis nor acting in a similar capacity as at the end of the most recently completed financial year. As at December 31, 2010, there were four Named Executive Officers of Artis: Armin Martens, President and Chief Executive Officer, Cornelius Martens, Executive Vice-President, James Green, Chief Financial Officer and Kirsty Stevens, Chief Administrative Officer.

Compensation Discussion and Analysis

The services of the Named Executive Officers (including Armin Martens, President and Chief Executive Officer, Cornelius Martens, Executive Vice-President, James Green, Chief Financial Officer and Kirsty Stevens, Chief Administrative Officer) are provided by Marwest pursuant to the Asset Management Agreement. Marwest is also the property manager of Artis pursuant to the Property Management Agreement. Under the Asset Management Agreement and the Property Management Agreement, Artis does not pay any direct compensation to the Named

Executive Officers. Artis pays fees to Marwest which are calculated based on the formulae set forth in such agreements.

Under the Asset Management Agreement, Marwest is entitled to: (i) an annual advisory fee payable monthly equal to 0.25% of the adjusted cost base of Artis' assets; and (ii) an acquisition fee equal to 0.5% of the cost of the property acquired. The services provided by Marwest pursuant to the Asset Management Agreement are more particularly described under the heading "Management of Artis" in the Annual Information Form, which is incorporated by reference in this Information Circular. The Governance and Compensation Committee is of the view that the fee structure under the Asset Management Agreement is appropriate for Artis, which is a growth-oriented real estate investment trust (see Update on Internalization of Asset Management Agreement for further information). Acquisitions by Artis are approved by the Investment Committee of Artis or, in certain circumstances, by the Board of Trustees.

Artis also grants options to the Named Executive Officers from time to time. See "Option-Based Awards" and "Incentive Plan Awards" below.

For a summary of the compensation paid by Marwest to the Named Executive Officers of Artis for their services to Artis, see "Summary Compensation Table" below.

Option-Based Awards

The Governance and Compensation Committee is of the view that the grant of options under the Unit Option Plan assists in aligning the interest of Trustees, Named Executive Officers and certain Marwest employees with those of Unitholders, thereby preserving and enhancing Unitholder value in the long term. The Governance and Compensation Committee recommends to the Trustees the individuals who shall be granted options. The recommendation of the Governance and Compensation Committee is made after consultation with management of Artis and after taking into account the amount and terms of outstanding options.

Notes:

- (1) The services of the Named Executive Officers are provided to Artis by Marwest pursuant to the Asset Management Agreement. Artis does not pay any direct compensation to the Named Executive Officers, other than the grant of options to purchase Units as set forth in the table above. For a summary of fees to which Marwest is entitled under the Asset Management Agreement (and the Property Management Agreement), see "Management of Artis" in the Annual Information Form, which is incorporated by reference in this Information Circular. The salary figures set forth in the table above represent an estimate of the aggregate compensation paid by Marwest to the Named Executive Officers during the relevant period that is attributable to services rendered to Artis.
- (2) Three series of options were granted in the year: (i) options to acquire Units at a price of \$11.28 per Unit, expiring February 25, 2015. 25% of such options vested on February 25, 2011; 25% of such options will vest on each of February 25, 2012, February 25, 2013, and February 25, 2014; (ii) options to acquire Units at a price of \$13.30 per Unit, expiring September 10, 2015. 25% of such options will vest on each of September 10, 2011, September 10, 2012, September 10, 2013, and September 10, 2014; and (iii) options to acquire Units at a price of \$13.44 per Unit, expiring October 15, 2015. 25% of such options will vest on each of October 15, 2011, October 15, 2012, October 15, 2013, and October 15, 2014.
- (3) No options were granted in the year. Effective August 21, 2009, Artis and the holders of options to acquire Units agreed to cancel an aggregate of 1,212,800 options to acquire Units. The exercise prices of the options surrendered ranged from \$14.40 to \$17.75 per Unit. The weighted-average exercise price with respect to the cancelled options was \$16.26 per Unit. The options were surrendered voluntarily and no agreements or commitments have been made to holders with respect to the granting of new options in the future.
- (4) No options were granted in the year.
- (5) The methodology used by Artis in calculating the fair value of options on the date of grant is to value the options by the amount by which the exercise price of the option exceeded the closing price of the Units on the trading day immediately prior to the date of grant.
- (6) All non-equity incentive plan compensation was paid during the financial year ended December 31, 2010.
- (7) Represents a bonus paid by Marwest to the Named Executive Officers during the relevant period that is attributable to services rendered to Artis.

Termination and Change of Control Benefits

None of the Named Executive Officers of Artis have employment contracts with Artis as they are currently employed by Marwest and provide services to the Trust pursuant to the Asset Management Agreement. Marwest Management Canada Ltd., an affiliate of Marwest, is the property manager of Artis pursuant to the Property Management Agreement. Artis has no obligation to pay any direct severance or other termination benefits to the Named Executive Officers in the event that the Asset Management Agreement or the Property Management Agreement is terminated, or their employment with Marwest is terminated. The Asset Management Agreement and/or the Property Management Agreement may be terminated by Artis upon 120 days’ notice in the event that Artis determines to internalize its asset management or property management, as the case may be, provided that the officers who provide services to Artis pursuant to the Asset Management Agreement or Property Management Agreement, as the case may be, shall be entitled to be employed by Artis and hold a similar office with similar responsibilities on terms and conditions mutually acceptable to Artis and such officers, acting reasonably. No termination fee is payable by Artis to Marwest or Marwest Management Canada Ltd. upon termination of the Asset Management Agreement or the Property Management Agreement, as the case may be, unless such termination occurs following a take-over bid of Artis, in which case Marwest is entitled to receive a termination fee equal to the anticipated fees which would have been payable in respect of its services under the Asset Management Agreement or Property Management Agreement, as the case may be, during the balance of the term of such agreement, plus any severance costs related to employees of Marwest or Marwest Management Canada Ltd., as the case may be. The material terms and conditions of the Asset Management Agreement and the Property Management Agreement are

set forth under “*Management of Artis*” in the Annual Information Form, which is incorporated by reference in this Information Circular.

Update on Internalization of Asset Management Agreement

The Asset Management Agreement and the Property Management Agreement are long-term agreements which expire in 2025.

The Trustees formed a special committee (the “**Asset Management Special Committee**”) to consider the timing and terms of the internalization of the asset management functions provided pursuant to the Asset Management Agreement. The Asset Management Special Committee is comprised entirely of Independent Trustees. A primary objective of the Asset Management Special Committee is to assist the Board of Trustees in ensuring quality and cost-effective management of the assets of Artis that will result in maintaining and enhancing Unitholder value. The mandate of the Asset Management Special Committee includes reviewing the existing Asset Management Agreement between Artis and Marwest, and considering the financial and non-financial impacts of internalization.

The Asset Management Special Committee conducted reviews consistent with its mandate throughout 2007, 2008, 2009 and 2010.

On November 9, 2010, Artis announced that it and Marwest had agreed to negotiate in good faith the terms and conditions upon which the asset management of Artis would be internalized, with a view to completing such internalization no later than December 31, 2011.

Composition of the Governance and Compensation Committee

As at December 31, 2010, the Governance and Compensation Committee was comprised of Edward Warkentin, Allan McLeod and Victor Thielmann, each of whom is an Independent Trustee.

The Trustees (other than the Marwest Appointees) are entitled to compensation for services rendered to Artis in their capacities as Trustees.

In 2010, each Trustee was paid a base compensation at a rate of \$45,000 per year, plus a base committee fee at a rate of \$2,000 per year. Meeting fees were paid at a rate of \$1,000 to \$3,000 per meeting, dependent upon the location of meeting and whether it was attended in person or by teleconference. In 2010, the Board instituted a policy such that the Trustees would be required to hold directly or indirectly a minimum number of Units, such minimum requirement being set at twice the annual retainer to be accumulated over a 5 year period.

Equity Compensation Plan Table

Artis has adopted the Unit Option Plan and the table below summarizes the number of Units underlying the options granted under the Unit Option Plan, the weighted-average exercise price of such options and the number of Units remaining available for future issuance under the Unit Option Plan as at December 31, 2010.

Plan Category	A	B	C
	Number of Units to be issued upon exercise of outstanding options	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities

			reflected in column A) ⁽¹⁾
Unit Option Plan	1,070,250	\$12.84	2,703,615

Note:

⁽¹⁾ The Unit Option Plan is a “rolling” plan which permits Artis to grant options to purchase Units in an amount of up to 5% of the issued and outstanding Units from time to time.

Unit Option Plan

Artis adopted the Unit Option Plan under which the Trustees may from time to time, and in accordance with TSX requirements, grant to Trustees, officers, investor relations consultants and technical consultants to Artis, non-transferable and non-assignable options to purchase Units, provided that the number of Units reserved for issuance under options will not exceed 5% of the issued and outstanding Units, exercisable for a period of up to 5 years from the date of grant. The number of Units reserved for issuance under options to any individual Trustee or officer will not exceed 5% of the issued and outstanding Units and the number of Units reserved for issuance to all investor relations consultants and technical consultants will not exceed 2% of the issued and outstanding Units. Pursuant to the Plan, no options shall be granted that would result in insiders of Artis receiving, within a 12 month period, options exceeding 10% of the total number of issued and outstanding Units (calculated on a non-diluted basis). Options may be exercised no later than 90 days following cessation of the optionee's position with Artis, provided that if the cessation of office, directorship, or technical consulting arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option. The Unit Option Plan provides that, for an investor relations consultant, no option shall be exercisable for a period exceeding 12 months from the date the option is granted, with no more than ¼ of the options vesting in any three month period. Any option granted to an investor relations consultant expires 30 days after the date that such person ceases to carry on investor relations activities on behalf of Artis. The exercise price of options granted under the Unit Option Plan must not be less than the last daily closing price of the Units on or before the date of grant of options. The Unit Option Plan may not be amended without the approval of Unitholders.

The Unit Option Plan will terminate upon the adoption of the Incentive Plan, if approved by Unitholders.

STATEMENT OF GOVERNANCE PRACTICES

Introduction

The Board of Trustees (the “**Board**”) believes that sound governance practices are essential to achieve the best long-term interests of Artis and the enhancement of value for all of its security holders. The Board recognizes that proper and effective corporate governance is a significant concern of and priority for investors and other stakeholders and, accordingly, the Board has instituted a number of procedures and policies in an effort to ensure appropriate governance practices.

The Canadian Securities Administrators (the “**CSA**”) have issued National Policy 58-201 – *Corporate Governance Guidelines*. The CSA have also adopted National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) which requires Canadian reporting issuers to annually disclose their corporate governance practices. Regulatory changes to governance practices are continually monitored by the Board and the Board has taken, or will take, appropriate action as regulatory changes occur. Below is a discussion on the current composition of the Board and the current governance practices of Artis.

Board of Trustees

Independence

The principal factor underlying the determination of Trustee “independence” is whether or not a particular Trustee has a “material relationship” with Artis, which is a relationship which could be reasonably expected to interfere with the exercise of the Trustee’s independent judgement.

The Board has determined that five out of seven Trustees are independent for the purpose of NI 58-101. The Independent Trustees as at the date of this Information Circular are Delmore Crewson, Allan McLeod, Victor Thielmann, Wayne Townsend and Edward Warkentin. Armin Martens and Cornelius Martens are not Independent Trustees by virtue of the fact that they are officers of Artis and of Marwest and are appointed as Trustees by Marwest.

Other Boards of Reporting Issuers.

As at the date hereof, each of Armin Martens, Cornelius Martens, Allan McLeod, Victor Thielmann, Wayne Townsend and Edward Warkentin are directors of All in West! Capital Corporation, an issuer listed on the TSX Venture Exchange. Armin Martens is also a director of Fortress Paper Ltd., an issuer listed on the TSX. Delmore Crewson is a trustee and the chair of the audit committee of Pollard Banknote Limited, an issuer listed on the TSX. Allan McLeod and Edward Warkentin are directors of Exchange Income Corporation, an issuer listed on the TSX.

The directors serve or have served on a number of boards of prominent private issuers and other organizations as set forth above under the heading “Particulars of Matters to be Acted Upon – Election of Trustees – Trustees’ Biographies”.

Independent Chairs

The Chair of the Board and of each committee of the Board is an Independent Trustee. Delmore Crewson is the Chair of the Audit Committee. Edward Warkentin is the Chair of the Board and the Chair of the Governance and Compensation Committee. Wayne Townsend is the Chair of the Investment Committee. Each Board committee meets independently of management, unless management is requested to be present.

Attendance at Board Meetings

Since the commencement of the 2010 fiscal year, the Board has held 22 regularly scheduled Board and/or committee meetings and 19 non-regularly scheduled Board or committee meetings. The following table summarizes the attendance of each of the Trustees at such Board meetings.

Name of Trustee	Regularly Scheduled Board and Committee Meetings Attended	Non-Regularly Scheduled Board and Committee Meetings Attended	Total Board and Committee Meetings Attended
Armin Martens	10/10	13/13	23
Cornelius Martens	6/6	13/13	19
Delmore Crewson	13/13	17/17	30
Allan McLeod	13/15	15/15	28
Victor Thielmann	15/15	15/15	30
Wayne Townsend	11/11	17/17	28
Edward Warkentin	17/17	19/19	36

It should be noted that the summary of attendance of Trustees at meetings of the Board and committees of the Board is not strictly indicative of the contribution made by each Trustee and absence from a meeting may result from a variety of factors or causes, including the rescheduling of meetings. Where meeting attendance was not possible, Trustees provided comments in advance.

Independent Trustee Meetings

The Independent Trustees hold regularly scheduled quarterly meetings and at such other times as may be considered necessary by the Independent Trustees.

Board Mandate

The Board is responsible for the stewardship of Artis. The Board supervises management of Artis with the goal of enhancing long-term Unitholder value. Management, in turn, is responsible for the day-to-day management of the business and affairs of Artis and its subsidiaries. Management is also responsible for establishing strategic planning initiatives for Artis. The Board ultimately approves the strategic plan, taking into account the risks and opportunities of the business of Artis. The Board approves all significant decisions that affect Artis before they are implemented, supervises the implementation and reviews the results.

The roles and responsibilities of the Board are intended to primarily focus on the formulation of long-term strategic, financial and organizational goals for Artis and on the monitoring of management performance. Without limitation, the Board is responsible for: (i) participating in the development of and approving a strategic plan for Artis, on at least an annual basis; (ii) identifying the principal risks of Artis' business and ensuring the implementation of appropriate systems to monitor these risks; (iii) succession planning regarding management; (iv) ensuring the integrity and adequacy of Artis' internal controls and management information systems; (v) defining the roles and responsibilities of management; (vi) reviewing and approving the business and investment objectives to be set by management of Artis; (vii) assessing the performance of management; (viii) reviewing Artis' debt management strategy; (ix) ensuring effective and adequate communication with the Unitholders and other stakeholders as well as the public at large; and (x) establishing committees of the Board, where required or prudent, and, where appropriate, defining their mandate.

Position Descriptions

The Board has developed written position descriptions for the Chair of the Board as well as for Trustees generally. The Board has not developed a written position description for the President and Chief Executive Officer, as the services required to be provided to Artis by Marwest are set forth in the Asset Management Agreement.

Orientation and Continuing Education

All Trustees are provided with the following documents relating to Artis:

- (i) the position description for Trustees generally;
- (ii) the position description for the Chair;
- (iii) the code of conduct of Artis;
- (iv) the Audit Committee Charter;
- (v) the Audit Committee whistle-blowing policy;
- (vi) the Governance and Compensation Committee Charter;
- (vii) the Investment Committee Charter; and
- (viii) the disclosure policy of Artis.

The Board has not established a formal orientation and education program for new Trustees and new committee members. The Board holds separate orientation and strategic planning sessions on an “as needed” basis and encourages Trustees to attend continuing education seminars and corporate governance conferences. On an annual basis, the Board holds two-day orientation and strategic planning sessions where the Trustees visit a substantial number of Artis’ properties and hold planning meetings with respect to the strategic direction and corporate governance practices of Artis.

Ethical Business Conduct

The Board has adopted a written code of conduct. The code of conduct strives to create a culture in Artis that values high ethical standards, honesty and compliance with laws, rules and regulations. Among other things, the code of conduct contains provisions that require the Trustees and officers of Artis to avoid situations where their personal interests conflict, or appear to conflict, with the interests of Artis. Copies of the code of conduct of Artis may be obtained on written request addressed to Artis Real Estate Investment Trust, 300 – 360 Main Street, Winnipeg, MB R3C 3Z3, Attention: Investor Relations.

Nomination of Trustees

The Governance and Compensation Committee is responsible for, among other things, reviewing the effectiveness of the Board, including its size and composition. The Board does not have a separate nominating committee responsible for identifying new candidates for nomination for election to the Board. The Governance and Compensation Committee is comprised entirely of Independent Trustees. The Board as a whole makes decisions with respect to the nomination of Trustees for election.

Compensation

The Board, through its Governance and Compensation Committee, periodically reviews the adequacy and form of compensation to Trustees and senior officers of Artis. The Governance and Compensation Committee considers the time, commitment, risks and responsibilities of the Trustees and senior officers and takes into account the types of compensation and the amounts paid to the Trustees and executive officers of comparable publicly traded Canadian issuers.

Board Committees

The Board has three committees: (i) the Audit Committee; (ii) the Governance and Compensation Committee; and (iii) the Investment Committee. The Disclosure Committee is a sub-committee of the Governance and Compensation Committee.

Audit Committee

Pursuant to the Declaration of Trust, the Board is required to have an audit committee consisting of at least three Trustees. While the Declaration of Trust provides that a majority of the Audit Committee members must be Independent Trustees, National Instrument 52-110 – *Audit Committees* (the “**Audit Committee Rule**”) requires that each member of the Audit Committee must be “independent” within the meaning of the Audit Committee Rule. Subject to the delegation to the Audit Committee of such other responsibilities as are determined by the Trustees from time to time and subject to such changes in its form and function as may be mandated by any relevant regulatory authorities, the Audit Committee shall, among other things:

- (a) oversee the work of the external auditors, including resolution of disagreements between management and the external auditors regarding financial reporting;
- (b) satisfy itself on behalf of the Board with respect to Artis’ internal control system, including (i) to identify, monitor and assess business risks; and (ii) to ensure compliance with legal, ethical and regulatory requirements;
- (c) review the annual financial statements of Artis prior to their submission to the Board for approval. The process should include but not be limited to:
 - reviewing changes in accounting principles, or in their application, which may have a material impact on the current or future years' financial statements;
 - reviewing significant accruals or other estimates;
 - reviewing accounting treatment of unusual or non-recurring transactions;
 - ascertaining compliance with covenants under loan agreements;
 - reviewing disclosure requirements for commitments and contingencies;
 - reviewing adjustments raised by the external auditors, whether or not included in the financial statements;
 - reviewing unresolved differences between management and the external auditors; and
 - obtaining explanations of significant variances within comparative reporting periods;
- (d) review the financial statements (and make a recommendation to the Board with respect to their approval), prospectuses, management discussion and analysis and all public disclosure containing audited or unaudited financial information before release and prior to Board approval, and to satisfy itself that adequate procedures are in place for the review of Artis’ disclosure of all other financial information and to periodically access the accuracy of those procedures;
- (e) with respect to the appointment of external auditors by the Board:
 - recommend to the Board the appointment of the external auditors;
 - recommend to the Board the terms of engagement of the external auditors, including the compensation of the external auditors and a confirmation that the external auditors shall report directly to the Audit Committee; and
 - when there is to be a change in auditors, review the issues related to the change and the information to be included in the required notice to securities regulators of such change;

- (f) review with external auditors (and the internal auditor if one is appointed by Artis) their assessment of the internal controls of Artis, their written reports containing recommendations for improvement, and management's response and follow-up to any identified weaknesses, and to review annually with the external auditors their plan for the audit and, upon completion of the audit, their reports upon the financial statements of Artis;
- (g) pre-approve all non-audit services to be provided to Artis or its subsidiaries by the external auditors; and
- (h) review risk management policies and procedures of Artis.

Governance and Compensation Committee

Pursuant to the Declaration of Trust, the Board is required to have a governance and compensation committee. The Governance and Compensation Committee is comprised of three Independent Trustees. Subject to the delegation to the Governance and Compensation Committee of such other responsibilities as are determined by the Trustees from time to time and subject to such changes in its form and function as may be mandated by any relevant regulatory authorities, the Governance and Compensation Committee is responsible for:

- (a) developing the system of, and overall approach to, governance generally, monitoring compliance with applicable governance requirements, assessing the Board's effectiveness in governance matters and making recommendations to the Board with respect to corporate governance of Artis as a whole, including without limitation:
 - the stewardship role of the Board in respect of management of Artis;
 - Board size and composition;
 - Trustees' remuneration; and
 - such processes and procedures as may be reasonably necessary to allow the Board to function independently of management;
- (b) generally review and make recommendations to the Board with respect to all direct and indirect compensation, benefits and perquisites for the management of Artis;
- (c) review and make recommendations to the Board regarding incentive compensation and equity based plans generally;
- (d) administer those functions delegated to the Governance and Compensation Committee pursuant to the Unit Option Plan; and
- (e) generally review and make recommendations to the Board with respect to succession planning for the management of Artis.

With respect to compensation, the Governance and Compensation Committee is responsible for, among other things:

- (a) evaluating management performance, including in respect of any established goals and objectives, and reviewing and making recommendations to the Board with respect to all direct and indirect compensation, benefits and perquisites (cash and non-cash) for management based on such evaluation;
- (b) reviewing and making recommendations to the Board with respect to incentive compensation; and
- (c) reviewing and making recommendations to the Board with respect to policies regarding management benefits and perquisites, if any.

The Governance and Compensation Committee is also responsible for administering the Unit Option Plan, including, where consistent with the general purpose and intent of the Unit Option Plan and subject to the specific provisions of the Unit Option Plan:

- (a) selecting the persons who will receive a grant of Unit options;
- (b) determining the exercise price of each Unit option; and
- (c) determining the time or times when Unit options will be granted and exercisable and the conditions applicable thereto.

Disclosure Committee

The Governance and Compensation Committee established a sub-committee called the Disclosure Committee, which is comprised of the President and Chief Executive Officer of Artis, the Chairman of Artis and the Chief Financial Officer of Artis. The composition of the Disclosure Committee will be determined from time to time by the Governance and Compensation Committee.

The Disclosure Committee has adopted a disclosure policy addressing, among other things, the following matters:

- (a) the timely and accurate public dissemination of material information regarding Artis;
- (b) the protection of the confidential information regarding Artis;
- (c) the persons who are authorized spokespersons of Artis;
- (d) prohibitions on selective disclosure and other prohibited uses of material information regarding Artis which has not been generally disclosed; and
- (e) requirements with respect to the use of forward-looking information.

Investment Committee

The Trustees have established the Investment Committee comprised of three Trustees, each of whom is an Independent Trustee. Subject at all times to the provisions of the Declaration of Trust, and to any other regulations or resolutions that the Trustees may adopt, the Investment Committee is responsible for:

- (a) reviewing all proposals regarding investments, dispositions and financings of Artis;
- (b) making recommendations to the Board; and
- (c) to the extent authorized by the Board, to authorize proposed transactions and make investments on behalf of Artis.

The Board has delegated authority to the Investment Committee to approve transactions in an amount of \$75 million per quarter and the Board receives quarterly updates with respect to Artis' transaction activities. Transactions by Artis in excess of \$75 million per quarter must be approved by the Board as a whole.

The Investment Committee is required to carry out these responsibilities with a view to achieving the strategic objective of acquiring a portfolio of quality assets and delivering the benefits of such asset ownership to Unitholders.

The Declaration of Trust contains detailed investment and operating policies which are binding on the Investment Committee at all times.

Asset Management Special Committee

The Trustees have established an Asset Management Special Committee comprised of four Trustees, each of whom is an Independent Trustee. Subject to the delegation to the Asset Management Special Committee of such other responsibilities as are determined by the Trustees from time to time, the Asset Management Special Committee is responsible for:

- (a) reviewing the existing asset management arrangements between Artis and Marwest including the Asset Management Agreement with consideration given to:
 - the termination provisions of the Asset Management Agreement and contingent costs;
 - the relative cost savings available to Artis (both immediate and long-term) as a result of the cessation of the Asset Management Agreement with Marwest;
 - the effect that any proposed internalization would have on Artis' net asset value and projected cash available for distribution in future years;
 - the effect that internalization would have on Artis' corporate governance structure;
 - the effect that any proposed internalization would have on the attractiveness of the units of Artis to potential investors; and
 - the effect that internalization may have in any other way;
- (b) determining and evaluating various alternative transactions for the internalization of the asset management functions of Artis that would be consistent with the objects and purposes stated herein;
- (c) recommending to the Board non-binding proposed courses of action with respect to the internalization of asset management following the evaluation of such alternatives including proposed terms of agreement between Marwest and Artis; and
- (d) retaining any person having special expertise and/or obtaining independent professional advice to assist in satisfying their responsibilities at the expense of Artis without any further approval of the Board.

Board Assessments

The Board assesses its effectiveness on a continual basis. The Board recognizes that on-going evaluation of Board performance is an important governance practice and in conjunction with the 2010 strategic planning session, the Board undertook a self-evaluation.

SECTION 2 Administration.

- (a) The Plan will be administered by the Board; provided however, that the Board may at any time appoint a Committee to perform some or all of the Board’s administrative functions hereunder; and provided further, that the authority of any Committee appointed pursuant to this Section 2 will be subject to such terms and conditions as the Board may prescribe and will be coextensive with, and not in lieu of, the authority of the Board hereunder.
- (b) Trustees who are eligible for Awards or have received Awards may vote on any matters affecting the administration of the Plan or the grant of Awards, except that no such member will act upon the grant of an Award to himself or herself, but any such member may be counted in determining the existence of a quorum at any meeting of the Board during which action is taken with respect to the grant of Awards to himself or herself.
- (c) The Board will have full authority to grant Awards under the Plan. In particular, subject to the terms of the Plan, the Board will have the authority:
- (i) to select the Participants to whom Awards may from time to time be granted hereunder (consistent with the eligibility conditions set forth in Section 3);
 - (ii) to determine the type of Award to be granted to any Participant hereunder;
 - (iii) to determine the number of Units, if any, to be covered by each Award; and
 - (iv) to establish the terms and conditions of each Award Agreement.
- (d) The Board will have the authority to establish, amend and rescind such administrative rules, guidelines and practices governing the Plan as it, from time to time, deems advisable; to interpret the terms and provisions of the Plan, any Award issued under the Plan, and any Award Agreement; and to otherwise supervise the administration of the Plan. The Board may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award in the manner and to the extent it deems necessary to carry out the intent of the Plan.
- (e) All decisions made by the Board pursuant to the provisions of the Plan will be final and binding on all Persons, including the Trust and Participants. No Trustee will be liable for any good faith determination, act or omission in connection with the Plan or any Award.

SECTION 3 Eligibility.

- (a) Trustees, officers and employees of the Trust or of an Affiliate or of designated Service Providers, and designated Service Providers, are eligible to be granted Awards under the Plan.
- (b) The C.E.O. may from time to time recommend to the Board employees of the Trust or its Affiliates, for participation in the Plan, the extent and terms of their participation and the performance measures, if any, applicable thereto.

SECTION 4 Units Subject to the Plan.

- (a) Units Subject to the Plan. The Units to be subject to or related to Awards under the Plan will be authorized and unissued Units of the Trust. The maximum number of Units that are issuable to Participants that may be subject to Awards under the Plan is 7% of the number of outstanding

Units from time to time. The expiry, exercise, redemption or other issuance of Units underlying an Award will result in further Units being available for issuance under the Plan. The Trust will from time to time reserve for the purposes of the Plan, out of its authorized and unissued Units, such number of Units. For greater certainty, the Units underlying the options (the “**2006 Option Plan Options**”) granted under the amended unit option plan of the Trust dated June 9, 2006 (which amended unit option plan terminates upon the adoption of the Plan) shall remain outstanding following the adoption of the Plan and shall be exercisable in accordance with their terms. The Units underlying the 2006 Option Plan Options shall be included in the calculation of the number of Units that are issuable to Participants under the Plan. The expiry or exercise of the 2006 Option Plan Options will result in further Units being available for issuance under the Plan.

No Participant may be granted Awards with respect to more than 5% of the issued and outstanding Units. In addition, (i) the number of Units issuable to Insiders, at any time, pursuant to the Plan and any other security-based compensation arrangement adopted by the Trust, cannot exceed 10% of the issued and outstanding Units; and (ii) the number of Units issued to Insiders, within any one year period, under the Plan and any other security-based compensation arrangement adopted by the Trust cannot exceed 10% of the issued and outstanding Units.

- (b) Effect of the Expiration or Termination of Awards. If and to the extent that an Option expires, terminates or is cancelled or forfeited for any reason without having been exercised in full, the Units associated with that Option will again become available for grant under the Plan. Similarly, if and to the extent a Restricted Unit, Deferred Unit or Installment Unit is cancelled or forfeited for any reason, the Units subject to that Restricted Unit or Installment Unit will again become available for grant under the Plan. In addition, if and to the extent an Award is settled for cash, the Units subject thereto will again become available for grant under the Plan.
- (c) Other Adjustment. In the event of any recapitalization, reorganization, arrangement, amalgamation, split or combination, distribution or other similar event or transaction, substitutions or adjustments will be made by the Board in its discretion: (i) to the aggregate number, class and/or issuer of the securities reserved for issuance under the Plan; (ii) to the number, class and/or issuer of securities subject to outstanding Awards; and (iii) to the exercise price of outstanding Options, in each case in a manner that reflects equitably the effects of such event or transaction.

The appropriate adjustments in the number of Units under an Award and the other terms and conditions thereunder, may be made by the Board in its discretion and in order to give effect to the adjustments in the number of Units of the Trust resulting from the implementation and operation of the Unitholder Rights Plan.

- (d) Change in Control.
 - (i) Notwithstanding anything to the contrary set forth in the Plan, upon or in anticipation of any Change in Control of the Trust, the Board may, in its sole and absolute discretion and without the need for the consent of any Participant, cancel any Award in exchange for a substitute award with respect to the capital successor entity or its parent contingent upon the occurrence of that Change in Control (a “**Plan Substitution**”). Substitute awards shall have no less economic value, no more stringent performance conditions, and similar vesting schedules as existing Awards.
 - (ii) If a Plan Substitution is not effected by the Board, the Board may cause any or all outstanding Options, Restricted Units and Deferred Units to become vested and immediately exercisable (or otherwise entitled the holder to receive the underlying cash or Units in accordance with its terms), provided that the Participant’s employment, service or term of office with the Trust or an Affiliate, or the contract of the designated Service Provider with which a Participant is an officer or employee is terminated without Cause. In such instance, the treatment of Installment Units shall be determined by the Board at its discretion.

- (e) Not a Unitholder. Under no circumstances shall Options, Restricted Units or Deferred Units be considered Units, nor shall the holder thereof be entitled to any rights a Unitholder, including, without limitation, any exercise of voting rights, right to receive distributions or the exercise of any other rights attaching to ownership of Units.

SECTION 5 Options.

Any Option granted under the Plan will be in such form as the Board may at the time of such grant approve. The Award Agreement evidencing any Option will incorporate the following terms and conditions and will contain such additional terms and conditions (including that vesting may be subject to performance tests at the discretion of the Board), not inconsistent with the terms of the Plan, as the Board deems appropriate in its sole and absolute discretion:

- (a) Option Price. The exercise price per Unit purchasable under an Option will be determined by the Board and will not be less than 100% of the Fair Market Value of a Unit on the date of the grant.
- (b) Option Term. The term of each Option will be fixed by the Board, *provided, however*, that no Option will be exercisable more than ten years after the date the Option is granted. No Option may be exercised by any Person after expiration of the term of the Option.

If the term of an Option of any Participant under the Plan expires during or within ten days after the last day of a Black Out Period, then such Option shall expire on the date that is ten Business Days following the end of the Black Out Period. The Black Out Period shall not be subject to the discretion of the Board.

- (c) Exercisability. Options will vest and be exercisable as follows:
 - (i) on and after the first anniversary of the date of grant, as to 25% of the Options awarded to a Participant;
 - (ii) on and after the second anniversary of the date of grant, as to 50% of the Options awarded to a Participant;
 - (iii) on and after the third anniversary of the date of grant, as to 75% of the Options awarded to a Participant; and
 - (iv) on and after the fourth anniversary of the date of grant, as to 100% of the Options awarded to a Participant.

subject to the right of the Board to determine at the time of grant that a particular Option will be exercisable in whole or in part on different dates and to determine at any time after the time of grant that a particular Option will be exercisable in whole or in part on earlier dates for any reason.

- (d) Method of Exercise. Subject to the exercisability and termination provisions set forth herein and in the applicable Award Agreement, Options may be exercised in whole or in part at any time and from time to time during the term of the Option, by the delivery of written notice of exercise by the Participant to the Trust specifying the number of Units to be purchased. Such notice shall be accompanied by payment in full of the purchase price, either by (i) cash, certified cheque or bank draft, or (ii) by such other method as the Committee may approve or accept.

No Units will be issued upon exercise of an Option until full payment therefor has been made. A Participant will not have the right to Cash Distributions or any other rights of a unitholder with respect to Units subject to the Option until the Participant has given written notice of exercise, has paid in full for such Units, if requested, has given the representation described in Section 11(a) hereof and fulfills such other conditions as may be set forth in the applicable Award Agreement.

- (e) Termination of Service. Unless otherwise specified in the Award Agreement, Options will be subject to the terms of Section 8 with respect to exercise upon or following termination of employment or other service of the Participant.
- (f) Transferability of Options. Except as may otherwise be specifically determined by the Board with respect to a particular Option, no Option will be transferable by the Participant other than by will or by the laws of descent and distribution; provided however, that a Participant may assign or transfer any Options such Participant is entitled to, to a personal holding company wholly owned by such Participant. All Options will be exercisable, during the Participant's lifetime, only by the Participant.

SECTION 6 **Restricted Units.**

- (a) General. Restricted Units may be granted hereunder, subject to such terms and conditions as the Board may impose. Each Restricted Unit shall initially have a value equal to the Fair Market Value of a Unit when the subject Award is made. Each Restricted Unit will represent the right to receive from the Trust, subject to fulfillment of any applicable conditions (including, at the discretion of the Board, performance-based conditions) on the Restricted Unit Settlement Date, a distribution from the Trust of either (i) one Unit, or (ii) an amount in cash equal to the Fair Market Value of one Unit on the Restricted Unit Settlement Date. Distributions on the Restricted Unit Settlement Date may be made in cash and/or Units at the election of the Participant prior to the Restricted Unit Settlement Date. The issuance of Units or payment of cash to the Participant shall be made by the Trust as soon as practicable (and in any event not later than thirty days) after vesting of the Restricted Unit and the fulfillment of any applicable conditions, including any performance-based conditions. Unless otherwise determined by the Board, Restricted Units may not be sold, pledged, assigned, hypothecated, gifted, transferred or disposed of in any manner, either voluntarily or involuntarily by operation of law, other than by will or by the laws of descent or distribution; provided however, that a Participant may assign or transfer any Restricted Units such Participant is entitled to, to a personal holding company wholly owned by such Participant. All other terms governing Restricted Units, such as vesting, performance criteria, Cash Distribution rights, time and form of payment and termination of Restricted Units shall be set forth in the applicable Award Agreement.
- (b) Vesting. Restricted Units will vest on and after the third anniversary of the date of grant, subject to the right of the Board to determine at the time of grant that a particular Restricted Unit will vest on different dates and to determine at any time after the time of grant that a particular Restricted Unit will vest at an earlier or later time.
- (c) Settlement. Following vesting, and subject to the Participant's satisfaction of any conditions, restrictions or limitations imposed by the Board, each Restricted Unit granted to a Participant shall entitle the Participant to receive on the Restricted Unit Settlement Date (i) one Unit, or (ii) an amount in cash equal to the Fair Market Value of one Unit. As of the Restricted Unit Settlement Date, the Restricted Units in respect of which such Units are issued shall be cancelled and no further payments shall be made to the Participant under the Plan in relation to such Restricted Units.
- (d) Distributions.
 - (i) Whenever a Cash Distribution is paid on the Units, additional Restricted Units, the number of which will be computed pursuant to Section 6(d)(ii), shall accrue in respect of each Participant who has, prior to such Cash Distribution, been granted Restricted Units (whether or not such Restricted Units are vested on the date of such Cash Distribution). Restricted Units granted pursuant to this Section 6(d) will be credited to the applicable Participant and vest on the same terms and time (and subject to vesting) as the Restricted Units in respect of which the additional Restricted Units were accrued.

- (ii) The number of additional Restricted Units which shall accrue in respect of each applicable Participant under Section 6(d)(i) shall be calculated by dividing: (a) the amount determined by multiplying: (x) the number Restricted Units credited to the Participant on the record date for the payment of such Cash Distribution; by (y) the Cash Distribution paid per Unit; by (b) the Fair Market Value of a Unit on the Cash Distribution payment date for such Cash Distribution, in each case, with fractions computed to two decimal places.

Unless otherwise determined by the Board, Deferred Units may not be sold, pledged, assigned, hypothecated, gifted, transferred or disposed of in any manner, either voluntarily or involuntarily by operation of law, other than by will or by the laws of descent or distribution; provided however, that a Participant may assign or transfer any Deferred Units such Participant is entitled to, to a personal holding company wholly owned by such Participant. - (iv) Upon payment in full by the Participant of the Obligations in respect of the Installment Units represented by Installment Receipts, the Trust shall deliver to the Participant a certificate confirming receipt by the Trust of such payment. Concurrently with the delivery of such certificate to the Participant, the pledge contained in Section 9(e) hereof shall be released and discharged without any further action, instrument or formality.
- (d) Prepayment. Participants shall be entitled to pre-pay the Obligations in respect of Installment Units in whole or in part at any time prior to the Final Installment Date without penalty or bonus. Any such payment shall be made by certified cheque or bank draft payable to the Trust.

 - (A) to give such notices to the defaulting Participant who holds Installment Receipts representing any of such Installment Units; and
 - (B) as soon as practicable and in a commercially reasonable manner, to cause the sale of the Collateral, or such part or parts thereof as the case may be, free and clear of the Pledge.
 - (iii) As soon as reasonably practicable after the sale of the Collateral as required hereby at any particular time to be sold, the Custodian shall pay to the Trust, out of and to the extent of the proceeds of sale of such Collateral, an amount equal to the aggregate of the unpaid Installments and the costs of sale in respect of such Installment Units. If such proceeds and interest exceed the aggregate amount of such payments to the Trust, the Custodian shall (subject to the requirements of applicable law) then as soon as reasonably practicable, pay the amount of such excess to the subject Participant (each, a **“Defaulting Participant”**). All other terms with respect to Defaulting Participants shall be set out in the applicable Installment Receipt and Pledge Agreement.
 - (iv) The Trust shall not, in any event, and the Custodian shall not, except in case of fraudulent or reckless conduct or as provided by applicable law, be liable or responsible for any delay or failure to effect realization, for any inability to obtain the best or most favourable price for any Installment Units or (except as required by applicable law) for any accounting to Defaulting Participants on realization.
